

OUR SPEAKER FOR SEPTEMBER IS ROBERT HEYEN

Robert will talk to us about communication and the use of the computer to access church services and things related to the congregation. Most of us need his advice and help with all things related to the computer. So it will be most helpful. I for one am looking forward to improving my skill with this contrary machine and I know Robert is well versed and a good teacher so plan on being there Sept 21st.

LAST MONTH SPEAKER KIRK CASTLEMAN

We had as our speaker in August Kirk Castleman. Kirk did an outstanding job and was well received by all that were in attendance. Kirk and Linda were missionaries to Cameroon for several years. They volunteered to return for a revival and told the 39er's of their trip and renewal of the friendships they had made years ago. Kirk had prepared a slide presentation that was just beautiful. The country is very poor but the people were just grand and were open to receiving Jesus Christ so the message was well received.

Kirk explained there are 2 seasons in Cameroon a wet and a dry so it is hard to get anything done in the rainy season. Road conditions are not very good and vehicles are forever having to be pulled out of the mud. But his mission was a success and he was glad to be able to revisit his friends and his old church building.

They were able to visit Israel and Kirk had some slides of this trip. Places where Jesus preached and these were great to see. He didn't have time to discuss this portion of their trip in depth and I hope to convince him to come again when he has time to tell us of their Israel trip.

39ERS TRIPS

Hi, There! 39ers,

August 2016 definitely turned out to be our “go-getter” month. We started, and finished, early in the month. On Thursday, August 4th, we saw Agatha Christie’s “ Spider’s Web” at the Alley Theatre in downtown. First we ate at Luby’s Cafeteria on Waugh Drive. We had 25 ride on the Precinct Bus (there were 28 sign-ups; 29 is our recent record). This play had a rare two intermissions. We all thought it was Great.

Then, just eight days later, on Friday, August 12th, we rode again on a Precinct Bus, to the Humble, Tx., Civic Center. County Commissioner, Jack Cagle, performed with his band. The other singers were, also, exceptional. Michael Hix, the “star” of the show, had so much happy energy and made everyone want to see him again next year! We probably will... This is an annual Harris County – wide event. Kudos, Jack Cagle. We ate dinner on site for \$7: Turkey or Ham on

large croissants with chips, fruit cup, cookies and a drink. Very convenient.

Hope another large number of us can, again, “go out to play” on **Thursday night, September 22nd**. There have been enthusiastic inquiries for weeks now! We will eat first at Luby’s Cafeteria on Waugh Drive. They were so welcoming, and all the food was very, very delicious. **Stages Repertory Theatre off Allen Parkway** is nearby. We’ll be seeing “The Marvelous Wonderettes” and enjoying the BEST Vocals (and over 30 songs!). This show is highly, highly recommended. Our special cost per ticket is \$22.

Let’s leave our parking lot at 5PM; the play starts at 7:30. Sign-up sheets will be in both foyers.

Smiling as I Serve,

Virgil & Dorrace Poe
