

**OUR SPEAKER FOR OCTOBER
IS MS. MARTHA TURNER**

Our speaker for October will be Ms. Martha Turner. Ms. Turner is the founder of Martha Turner Real Estate Company. She has recently sold her company to Sotheby's. Ms. Turner will tell us about her life and the hard work it took to make the Martha Turner Company into one of the most respected companies in this area. She has an interesting story to tell us. I know we will be glad to hear her story..

**LAST MONTH SPEAKER
ROBERT HEYEN**

Our speaker for September was our friend & fellow congregation member, Robert Heyen. Robert gave a most interesting presentation on the use of the computer regarding church activities for our members use. It was extremely helpful to those of us who have limited knowledge of the things computers can do. He also gave information to our 39ers (**Young at Heart**) who use the smartphones. For those that have them, he explained how they could use it like a computer to address dealing with church activities. He is extremely knowledgeable in all things related to electronics. This help will benefit us in retrieving stored information. I hope we can have him in the future to expand on the use of these devices to retrieve information for our church activities.

39ERS TRIPS

Happy Fall Ya'll~~

On the very first day of Fall 2016 (September 22nd), a happy, happy group of 39ers (Seventeen) left the parking lot here, at 5:11 PM (Everyone had arrived by 5). It was an easy drive to a great dinner at Luby's on Waugh Drive. Then, with extra time, we told jokes, and continued to visit. They had put us at a very nice long table in the back, and served all, so graciously...

We left for Stages Repertory Theatre (at Waugh and Allen Parkway) about 7, to go see the Marvelous Wonderettes at their High School Reunion. Pauline Mathews was soon pegged for the teacher who's retirement party was being thrown. She spent over half of the first act "grading papers". Pauline played the part well. One of the Wonderettes pulled Warren Dale out of the audience, from the third row. They continued singing and dancing, with and around him. For a long time, the audience ROARED with laughter. The Wonderettes had their "Disco Dude" get down and boogie and do the "hustle" with them and another audience member (lady). At this point Warren was on stage with Five ladies! We 39ers were very proud of "our Two"(out of 4 audience participants!!) ...Recommend the show (through October 16th).

Anytime you can join us, you, too, may enjoy Great Fun, Food, and Fellowship.

'Til next Trip,
Joan Dale

P.S. At dinner, Carolyn Hood said she really wanted to see "Smoke on the Mountain" at AD Players. By Intermission, we had formed a small posse' of five Gals that wanted to venture out again the next night (Friday). We met and ate at The Corner Bakery. The AD Players were very good singers (Gospel sing-alongs with the audience, and Bluegrass) and each played multiple instruments so well.

Keep the enthusiasm coming. There are super fun outings planned for November, December, and February, so far...
