PARENTING PANEL DISCUSSION

FACILITATED BY ALAN MARTIN

Babysitting Available!

THURSDAY, JANUARY 30
7:00 - 8:30 P.M.

JO HARMON
CHILDREN'S DIRECTOR

Over the past few months, there have been representatives from multiple churches who have wanted to tour our new building. Many times I am with them as they walk through the classrooms, view the chapel and experience the gathering area.

With each tour, I am reminded of how blessed we are to have such an incredible building. As they comment about the flow of the hallways and classrooms, I am reminded about many of our members who provided critical input to making that flow work. When they mention the usefulness of the furniture, I am reminded of the countless hours that some of our own spent researching and testing chairs, tables and other furnishings. And when those tourists marvel at the decoration and design of the chapel, oakview room and gathering area, I am reminded of all the people involved in the dreaming, planning and construction of this wonderful facility.

As I consider the fact that so many of our members gave huge chunks of their time, and so many of our members gave money sacrificially to this facility, I am humbled and amazed. God is being glorified as we continue to use this facility to teach our own and to reach out to others. May God continue to bless those who gave and those who are continuing to give toward this building. What an amazing example of what it means to be Generous for Generations!
