"I am the vine; you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing. If anyone does not remain in me, he is like a branch that is thrown away and withers..." (John 15:5-6).

John Naisbitt, in his 1982 book "Megatrends 2000," predicted that the more we will **connect** with high tech, the more we will yearn for high touch." So true! Humans have numerous social **connecting** platforms via technology but more are feeling lonely, depressed, and deprived. How come? There is a simplistic, biblical explanation: "we were created to be fulfilled by human-to-human **connection**." God overlooked the creation of robots in Eden for Adam but instead created Eve - a live human partner with God-like senses, communicative abilities, and depth of emotions. God knew exactly what we needed way before John Naisbitt made his prediction!

Then around 4 BC, God upped the **connection level** in person... Jesus Christ (a human!) This triangulated the level of **connection** humans truly needed in life on this planet. Marriage (two people **connecting** intimately for a long time) is not enough. Human friendships (no matter how close) are not enough. Man-and-his-dog (or cat) is not enough and satisfying. Tail-gating and attending games with buddies are not enough!

But *all of the above (and more) and being fully **connected** with Jesus and His body in a vital and fully devoted way - "i.e. remaining in Him and bearing fruit,"* will be the cure for our **connection** deficits. First, be fully **connected to HIM** and do not neglect your **connection with others!**
